
ShireBiz Bulletin

The Shire Economic Development Alliance Newsletter

9th November 2021

About ShireBiz

ShireBiz is a not for profit organisation dedicated to the Economic Development of Southern Sydney to enable sustainable business development which provides employment opportunities for the local community.

Our strategic pillars are:

- **Job Creation** through projects such as *Supporting the development of the ANSTO Innovation precinct*
- **Advocacy** such as *Improving Shire transport links*
- **Connecting the Community** through regular *newsletter*, and ZOOM and in person *events with prominent speakers*
- **Shirebiz supporters** are invited to continue to support Shirebiz by becoming members. [Join at](#)

Jobseekers get \$11.4m career service to supercharge pandemic

recovery

Premier Dominic Perrottet will on Wednesday launch the [new online service Careers NSW](#) to provide access to more than 40 volunteer industry experts in growth industries. “[Careers NSW](#) will supercharge our pandemic recovery by ensuring every jobseeker in NSW has online access to career advice regardless of their experience or education, so they can take advantage of the jobs of the future,” he said.

Small Business crucial in achieving a Carbon-Neutral Future

Recent research from Powershop Australia indicates the crucial role Australia’s 2.4 million small businesses can play in reducing Australia’s total carbon emissions if they commit to reducing their carbon footprint year on year. The [Powershop report](#), prepared with data partner Geografia, found that Australian SMEs emit about 146.5 million tonnes of the nation’s carbon emissions annually and that, by making some small changes, they can help take the equivalent of 15 million cars off the road.

Why local government is holding the keys to the electric vehicle revolution

Transport is a critical lifeline for many of us but despite the benefits, the way we travel and the fuel we use is having a major impact on the environment, our well-being, and our health. As the global automotive industry shifts towards electric vehicles (EV), [local government](#) is ideally placed to benefit while smoothing the transition.

St George & Sutherland Medical Research Foundation – Virtual Dash Nov 2021

The [Beachside Dash](#) is our biggest fundraising event of the year, allowing us to continue funding vital medical research projects across St George and Sutherland Hospitals. Last year we were able to fund projects researching Prostate Cancer, Inflammatory Bowel Disease and Alzheimer's Disease. With your support of our

virtual Dash this year, we will be able to continue supporting vital research into 2022.

Mark Sneakman: Restrictions eased from Monday 8th November

In response to the faster-than-expected rate of vaccination against COVID-19, many of the [Reopening NSW roadmap](#) changes will be brought forward by almost three weeks to next Monday 8 November

Guide to a winning social engagement strategy
