## **Protect Yourself Against: Malware**

We used to call them "viruses", but the term for anything malicious hiding on your computer or phone are now known as [malware](#). While antivirus software does a decent job at keeping you safe, there's no program that will protect you from all malware, especially as cyber criminals are getting smarter

## **Top drive + premium protection = extended warranty period**

In Germany and the majority of EU countries, the statutory warranty period for the purchase of new equipment is two years. In other countries, different periods are provided for by law.

Warranty means that the seller warrants that the sold item is free of material defects and defects of title. This is [your right](#) when purchasing Sew-Eurodrive's gears and gearmotors, as they offer you longer protection for your drive.

## **Webinar: ISO Certification readiness**

Join us for our upcoming [webinar](#) on Tuesday October 25th at 12:00 PM AEDT, where expert Erica Smith from ISO Certification Experts will explore preparing your organisation to achieve and maintain Certification to the main ISO Management System Standards including ISO 9001, ISO 14001, ISO 45001 and ISO 27001

Lendlease and Revelop have announced the Development Application approval for the circa \$50 million Calderwood Village, Illawarra NSW. [The Village Centre](#), located

in Lendlease's \$380 million masterplanned community in the Illawarra, is expected to be completed in mid-2024. Charbel Hazzouri, Founder and Managing Director, Revelop says the company is proud to have accomplished this key milestone in the projects delivery.

## **Modern Manufacturing Expo: Top priorities for Australian manufacturers made clear**

Australia is perfectly poised to become a global leader in the production of high-value products across industries – but this cannot happen without the buy-in of local manufacturers. This was the core argument of Meryl Swanson, MP and Federal member for Paterson, whose speech opened the much-anticipated two-day Modern Manufacturing Expo at the Sydney Showgrounds.

## **Realise Business: Pub Biz is on next Thursday 20th October from 5.30pm - 7.30pm at a new venue Forrester's in Surry Hills**

Pub Biz is a free networking event series for small business owners across Sydney. It is a unique opportunity to build new connections with like-minded peers, learn from business people of different ages and professions and boost your B2B referral network. Our Realise Business Advisors can also facilitate introductions for you, in a relaxed evening of conversation and refreshments. We look forward to seeing you in person, at our upcoming Pub Biz events!

## **Webinar: RobotIQ: Pelletising for the food industry Oct 26<sup>th</sup>**

Are you looking to take down the "Now hiring" sign once and for all? You aim to stop palletising manually, but getting robots up and running seems complex to you? [Robots should simplify your life, not make it more complicated](#)

## Asia skills critical to Australia's economic future and security

As Australia's largest trading partner, [Asia's growth trajectory](#) must be factored into the government's calculations. Twelve of Australia's largest fifteen trading partners are in Asia, accounting for two-thirds of Australia's total exports. The contribution of trade to Australia's economy is significant, representing more than 40 per cent of nominal GDP and providing employment for more than 2.2 million Australians working in trade-related activities

## COSBOA October in Review

The countdown is on for the Treasurer to deliver the highly anticipated first budget for the new Government - the Federal 2022-23 Budget is on Tuesday 25 October 2022 - and some big-ticket items are expected to be included, as well as measures to support small business.

COSBOA are working on their [pre-budget submissions](#) and taking meetings on that topic, consulting with Government and members on key priorities of the budget. We look forward to de-briefing members at the AGM on Thursday 27 October
